Physical Mobility Dates	BIP Title	Host
22–26 February 2027	Digital and Green Technologies in the Manufacturing Industry	University of Udine, Italy
08–12 March 2027	Green Additive Manufacturing of Composite Materials for Sustainable Applications (GAMeCS)	Hochschule Aalen, Germany
15–19 March 2027	Towards a Smart and Sustainable World	UCLL, Campus Diepenbeek, Belgium
15–19 March 2027	Sustainable Energy in an IoT World	KU Leuven, Faculty of Engineering Technology, Ghent Campus, Belgium
15–19 March 2027	Engineering Circular Solutions for the SDGs	ISEL / Polytechnic University of Lisbon, Portugal
15–19 March 2027	(Personal) Mobility in the Future	KU Leuven, Belgium
15–19 March 2027	Automotive Systems Block Week 2027	Dortmund University of Applied Sciences and Arts, Germany
15–19 March 2027	Power Electronics: Power and Digital Design	University of the Basque Country (EHU), Spain
15–19 March 2027	Technology Applied to Biological Systems	Wroc■aw University of Science and Technology, Poland
15–19 March 2027	Generative Artificial Intelligence (GenAI)-Driven IT Solutions for Applications in Business and Medicine	Dortmund University of Applied Sciences and Arts, Germany
15–19 March 2027	Concern in Radiological and Environmental Activity Measurement (CREAM)	HE2B, Technical Department ISIB, Brussels, Belgium
15–19 March 2027	Sustainable Engineering Design: Theory, Application, Evaluation	Free University of Bozen-Bolzano, Italy
15–19 March 2027	BIP Green Chemistry 2027	UCLL University of Applied Sciences, Leuven, Belgium
3–7 May 2027	BIP on Sustainable Engineering, Portugal	Coimbra Institute of Engineering (ISEC), Polytechnic University of Coimbra, Portugal
